Lakemba

Narothake was always a small village. The foundations of the old site

number ten or six. The *tauvu* of Narothake is Notokalau in Ovalau, because of Mbatininggaka. The clans of the village are:

Vialailai	Vialailai
Vialevu	{ Nayala { Nasikethi

In Yandrana the clans are:

Mbaumbunia	{ Nandawa { Lomanikoro { Nasuthu { Natalenggitawa { Namolutu	Thenu	{ Namana { Mbutukoro
		Sau	{ Mbutoisau { Nakorolailai
Yawalevu	{ Nautuutu { Natavua { Keloa		

The first seven Tui Yandrana were of Mbaumbunia; since then they have belonged to Thenu. The present Vaka is of Yawalevu. The Vaka is "The Speech of the Land" (*vosa ni vanua*). If the chief decides a thing he tells the Vaka to inform the people. The Tui Ra belongs to Thenu. Nasau and Yandua in the island of Ngau are *tauvu* to one another.

ISLANDS SUBJECT TO LAKEMBA

Relationship

The Fijian word for subject is *nggali;* Fison (4) connects it with *nggali* (to roll string). A *nggali* is therefore a strand of string and means properly a group of people, as in *matanggali*, a clan; but it usually conveys the idea of subjection. The land or chief that brings a country into subjection to another is said to "bring it to . . ."; or to "turn it round" (*vukitha*). There are various degrees: a people who are very much subject (*nggali sara*) obey (*vakarorongo*); the extreme is to be very serfs (*kaisi sara*), or a chief's very own men (*tamata ndina sara nga*). On the other hand, a land which goes to another may merely recognize its hegemony.

The Roko Sau rules all the villages of Lau. The islands of Thithia and Naiau are subject to Lakemba, but they stand apart from the rest of Lau. Oneata, Mothe, Kambara, Fulanga, and Ono each form a *matanitu*—a word which means literally "face of the chief," but may be translated as "state."

The people of these islands give the salutation called *tama* (p. 48) to the nobles of Lakemba; some salute the Tui Tumbou in this way, some do not; a few will do it for the Tui Nasangalau. They also clap when a noble washes his hands after a meal. Formerly they lowered their sails as they came into Tumbou and paddled to the anchorage; they walked about Tumbou with folded arms.

Lakemba

pre-Christian. The clans of Nangalingali are: Naivotavota, Tanggu, Nanggora, Matai.

The Naivotavota and Tanggu are noble and descended from two brothers, Tanggu being descended from the eldest; but no one was made Tui Kambara. The ancestor of the two clans came from Uangava (Vuanggava). The third clan is "the Land"; the fourth, which is partly Tongan, is the carpenter's clan, and to it belong the Lemaki (p. 55).

There was much fighting between the villages of Nangalingali and Tokalau for the leadership in Christian times. The present Tui Kambara is of Tokalau.

Nukuloa in Vanua Levu is *tauvu* to Kambara on account of the ancestor-god. Kambara people at one time went to plant in Lakemba. On account of the ladies the people of Kambara used to go to Tanggalevu so in course of time Tanggalevu were made envoys to Kambara. Kambara is also connected with Totoya. There is a strong connection with Tonga because the Tongans formerly built canoes in Kambara.

Komo and Namuka are colonies of Kambara. Komo, a noble land before the inhabitants were killed off by Kambara and Totoya, now has only one village. It was settled from Kambara in fairly recent times. The clans are: Tuvana, Nukusea, Folo, Nasau.

Namuka has only one village, a large one, which was peopled from Nangalingali. Its clans are: Toiovu, Mbautolu, Nawatia, Taliku, Nasau, Nanggalitoka, Sawa. The first Tui Namuka dates from Christian times. Namuka and Matuku are closely related. Namuka goes to Nukunuku in Lakemba.

In Namuka the water is so scarce that in times of drought it is brought from neighboring islands.

FULANGA AND ITS DEPENDENCIES

Fulanga (Vulanga) is an exceedingly low-born land. Formerly when its people went to Kambara, Mothe, or Lakemba, they walked stooping with folded arms. The island constantly suffers from scarcity. The people are great fishermen and excel with the fish spear. Their hair is said to be fair as a result of their constant diving, but I have seen only one fair haired individual from this island. (See Pl. 4, *H*.) Fulanga and Ketei in Totoya are *tauvu*. Ongea, Ono, Mothe, and Oneata are dependencies of Fulanga. Regarding these I have received the following from informants:

Ongea was once a noble (*turanga*) land. Its pennant was hoisted in some peculiar position aloft, whereas Fulanga flew its flag below. The old men of the island used to be known as "the holy elders" (*matua tambu*). When Tui Ongea was on board a

Lakemba

canoe, the sail was carried round by way of the outrigger with the result that the canoe stopped dead. Hence the rhyme:

Tui Ongea wiri kata:	The Chief of Ongea sits on the canoe;
Me kau saka i thama a latha.	Let the sail be carried on the outrigger.

Ongea ceased to be noble when Fulanga beat it in war. Since then its people are the lowest in Lau and very shy. When the Fulanga people go to Ongea and kill the fowls, and the natives go about with folded arms and stooping. The Ongeans call Fulanga, Mbauleka (Little Mbau), because it is to them as Mbau is to Fiji.

In Ono are two uninhabited islands, Tuvana i Tholo and Tuvana i Ra, the first belonging to the clan of Nukuni, the other to Lovoni.

The men of Ono were once red-skinned; now they are shorter and darker. The inhabitants of old were Tongans, judging from their present habits, for every day they prepare food with coconut cream and make an oven on the shore. Their physique is Tongan. [I have seen some very un-Fijian types in Ono, thick set with straight hair and Polynesian features.] They are good at enduring pain.

Ono has a system of levy called *vatongia;* if the chief fixes the rate of a feast at four yams, a man who has one piece of land contributes four, one who has two contributes eight and so on.

As a result of the murder of Niumataiwalu, the founder of the present Lakemban dynasty, war broke out between Matokana, the chief village, and Onolevu. Onolevu won and became chief instead of Matokana, he also became Envoy to Lakemba. A third village is called Ndoi.

Ono was settled peaceably by people from Wathiwathi, and all the clans of Wathiwathi are to be found in Ono. Vatoa was subject to Ono from of old; it is also, to a certain extent, descended from Wathiwathi. Ono used to "go to Wathiwathi" but Naiatha conquered it and "brought" Ono to Tumbou. Ono was formerly a land ignorant of chiefly ways. Now, following the example of their chiefs, they have learned manners and excel. Many Tongans reside in Ono.

Mothe is a noble land (*vanua vakaturanga*); but not originally, like Kambara; it became noble later because the inhabitants are true relatives of the nobles of Lakemba. Formerly the children of the Lord of Naiau intermarried with Mothe. It must have been daughters whose descendants live in Mothe, since the nobles of Lakemba intermarried equally with the other islands. Mothe and Navuanirewa are said to have a common ancestry (*kawavata*).

Oneata lies low and there is a marsh in the middle. At times the island swarms with mosquitos. The reef is called Mbatiyanitu. There are two villages on Oneata Wainggore (?Wainggori) and Ndakuiloa. Of old there was only one. The clans of Wainggore are: Longaniu, Tavanga, Tumba, Waleti. Of Ndakuiloa they are Wako, Nakuli, Mbutha. Tumba. Mbutha, now extinct, were the heralds.

Oneata is not a noble land. The chief is called Tui Oneata (lord of Oneata) only since Christian times; it is the title of the district headman under the Government. The order of succession has been Mbalemalua of Tumba, Saiasa of Longaniu, Sakaraia of Tumba, Nathanieli of Longaniu. Longaniu takes precedence. The clans intermarry because they are cross-cousins.

The people do not clap hands when the chief of Oneata drinks kava. The present chiefs originated from Nukunuku in Lakemba; they came from overseas: it is so in all countries in Fiji. Two brothers came from Nukunuku; they came because they had a god in common (*tevoro vata*) with Oneata, called Tui Oneata. They were sister's sons (*vasu*) to Oneata. Manjingi, the younger, became chief; the late Tui Oneata, still living, was his grandson.

The present Lord of Oneata originates from Tonga. He is a descendant of Tui Afitu, who was a chief in Tonga. He went to Lakemba and married there. He had one daughter whom the people of Lakemba sent to Oneata. The descendants of Tui
